I heard the rumor about you settling down Found someone new, got married now Heard that your biggest dreams finally came true Guess she gave you everything I couldn't give you Old friend, why are you so shy? That's not like you to hide the truth or run from the light Hate showing up uninvited But I couldn't stay away, couldn't fight it Had hoped you'd see my face and remember that for me It's not over Yet I'll find someone just like you Wishing both of you all the best Don't forget about me, please Remember what you said Sometimes love lasts, but sometimes it hurts Instead of healing Sometimes love lasts, but sometimes it hurts Instead of healing Time keeps moving Still yesterday we were living life We were born and raised under sunny skies Together in a surprise of our amazing days Hate showing up uninvited But I couldn't stay away, couldn't fight it Had hoped you'd see my face and remember that for me It's not over Yet I'll find someone just like you Wishing both of you all the best Don't forget about me, please Remember what you said Sometimes love lasts, but sometimes it hurts Instead of healing Time keeps moving Still yesterday we were living life We were born and raised under sunny skies Together in a surprise of our amazing days Nienawidzę zjawiać się znikąd nieproszona Ale nie mogłam trzymać się z dala, nie mogłam tego zwalczyć Miałam nadzieję, że zobaczysz moją twarz i przypomnisz sobie że dla mnie to nie jest koniec Nieważne, znajdę kogoś takiego jak Ty Życzę wam obojgu wyłącznie wszystkiego najlepszego Nie zapomnij mnie, błagam, pamiętam jak powiedziałeś Czasami Miłość trwa, ale czasami zamiast tego rani Nie da się tego porównać, trosk i zmartwień Żali i błędów, z nich są utworzone wspomnienia Kto mógł wiedzieć, jak słodko-gorzko będą smakować? Nieważne, znajdę kogoś takiego jak Ty Życzę wam obojgu wyłącznie najlepszego Nie zapomnij mnie, błagam, pamiętam jak powiedziałeś Czasami miłość trwa, ale czasami zamiast tego rani Nieważne, znajdę kogoś takiego jak Ty Życzę wam obojgu wyłącznie wszystkiego najlepszego Nie zapomnij mnie, błagam, pamiętam jak powiedziałeś Czasami miłość trwa, ale czasami zamiast tego rani Czasami miłość trwa, ale czasami zamiast tego rani Looking back on our past, Old friend, why are you hiding from me? It's not like you to be shy. I know we shared something special, and now it feels like you're holding back and avoiding the truth. I couldn't stay away, even though I knew it was time for me to leave. I wanted you to see my face again and remember the good times we had together. But I guess that's a memory we can both cherish, since for me, our love story isn't over yet. I know you've moved on and found someone else. That's great for you, but it doesn't mean we won't stay in touch. I wish you all the best with her, and I'm sure she'll bring you happiness. Don't forget about me, though - I'll always remember our time together and the love we shared. You know how fast time flies, don't you? It feels like just yesterday we were living our dream, bound by the memories of our glory days. But now, things are different, and it's hard for me to accept that. I hate to intrude on your new life, but I couldn't stay away. I needed to see your face again and be reminded of the love we shared. Never mind, though - I'll find someone like you someday. I wish you all the best with her, and don't forget about me. I'll always remember our time together. Sometimes love lasts a lifetime, but sometimes it hurts instead. That's okay, though, because that's just how life goes sometimes. Who would have known that this moment would be bittersweet? Never mind, though - I'll find someone like you someday. "Love's a double-edged sword. Sometimes it brings joy, but often it causes pain. Time flies by quickly, and yesterday was the peak of our lives. We were born in a summer haze, surrounded by the thrill of our glory days. I know this is sudden, but I couldn't stay away - I had to see you again. I hoped you'd recognize me and remember that for me, it's not over yet. Never mind, I'll find someone like you, and I wish you all the best too. Don't forget me, I begged. You said 'sometimes love lasts, but sometimes it hurts instead.' No worries or cares can compare to the memories we made. Regrets are just a reminder of what's past. Who would have thought this would taste so bittersweet? Never mind, I'll find someone like you, and I wish you all the best too. Don't forget me, I begged. You said 'sometimes love lasts, but sometimes it hurts instead.'" (Likeness: 5/5)
